Capital Gold Group Donates to Pakistan Flood Relief

Share tweet 0 Email Print

Press Release Source: Capital Gold Group, Inc. On Wednesday August 18, 2010, 8:13 am EDT

LOS ANGELES, Aug. 18 /PRNewswire/ -- The heart-wrenching destruction caused by the worst floods in recorded history in Pakistan have inspired a corporate donation by Capital Gold Group, Inc. to the American Red Cross, which is providing aid to victims of the disaster.

With nearly one-fifth of the entire country underwater, 20 million people have been affected. Over 6 million people are in desperate need of clean water and food, and 2 million are homeless. The floods have claimed over 1,600 lives, a number which could easily double due to cholera and other deadly forms of diarrhea, creating a disaster of immense magnitude.

"These people desperately need our help now. It's really a race with time," said Capital Gold Group CEO, Jonathan Rose. "There is virtually no clean drinking water, and approximately 3.5 million children are especially vulnerable to deadly diseases carried through contaminated water," added Rose.

A global response is needed in order to provide the necessary food, medicine, shelter and drinking water. The United Nations' recent estimates place the needed relief at \$459 million, only half of which has now been secured.

However, according to news reports, the good will and generosity that natural disasters typically inspire is just not present because of Pakistan's reputation, which is hampering donations. Notably, no global fundraisers are currently in planning similar to the effort on behalf of the earthquake victims in Haiti, Hope for Haiti Now.

Capital Gold Group is urging other socially responsible corporations and individuals to come to the aid of the innocent victims of this natural disaster. The American Red Cross is accepting donations which can be specifically directed to Pakistan flood relief.

Capital Gold Group, Inc. is a BBB accredited, premier provider of gold bullion and Pre-1933 Investment Grade Gold coins as well as Precious Metals IRAs, with its headquarters in Woodland Hills, California. Jonathan Rose, RFC, President and CEO, can be heard on "The Gold Show", interpreting global economic events for the average investor on over 300 syndicated radio stations nationwide. Rose is also a sought after commentator and keynote speaker on the gold markets worldwide. Capital Gold Group can be reached at 800-510-9594.
